CITRUS MEMORIAL ONLINE BILLPAY GOES LIVE

Patients of Citrus Memorial hospital can now save themselves a stamp by paying their hospital bills Online. Patients can now pay by credit card, checking or savings account online by visiting Citrusmh.com and clicking on the “Pay your bill” link on the right.

The link will lead patients to a secure payment portal where they can enter their information and request a receipt be sent via email. Patients can use the online billpay system for only hospital bills at this time, but the service may be expanded in the future to include other Citrus Memorial services.

Citrus Memorial cashiers did a live credit card test of the new payment system on July 1 and received confirmation that the payments were verified as deposited to Citrus Memorial’s bank account. “The web payment portal does work and is live on our Web site for our patients to use,” said an excited Randy Stein, Director of Business Services for Citrus Memorial. “We’re excited to offer this new option for our patients.”

About Citrus Memorial Health System
