ADVANCING THE VISION... CARE FOR A LIFETIME

Dear Citrus Memorial Supporter:

We are privileged to provide you with this sponsorship information package for Citrus Memorial's 7th Annual Randall Jenkins Memorial Golf Tournament. This charity event provides philanthropic support for Citrus Memorial Health Foundation, Inc.

Please plan to be a part of this special annual charity event:

*The 7th Annual Randall Jenkins Memorial Golf Tournament
Monday, March 5, 2012*

At exclusive Black Diamond Ranch – where you will enjoy the day while joining us in remembering Dr. Randall Jenkins, a valued founding physician.

We invite you to also become a high-profile sponsor and participant in this spectacular event that typically sells out a month in advance! Your sponsorship support for this event could be classified as either a charitable contribution (Citrus Memorial is a 501 (C) 3 charitable organization) or as an advertising opportunity – either way includes a day of golf at exclusive Black Diamond while supporting a worthy charity.

HealthGrades, the leading national rating organization for healthcare, recently presented Citrus Memorial with the notable 2012 achievement awards for America's 100 Best Hospitals for Specialty Care for both Orthopedic Surgery and Spine Surgery. We're one of Florida's top Spine Surgery hospitals ranked in the top 5% for the Nation. HealthGrades has also recognized Citrus Memorial with excellence awards in Patient Safety and a Five Star rating for Treatment of Stroke.

Can we count on you as we go forward in planning this event? Please consider becoming part of this special event on behalf of Citrus County's quality health care leader. After reviewing the enclosed sponsorship folder, contact either of us as soon as possible to secure your organization's sponsorship level and golf slots.

Sincerely,
